Alexia Vanlaere

TBS Student – Barcelona Campus

I'm in the first year of my Master's degree and decided to study at the Barcelona campus. The city is truly wonderful. There are a lot of activities and places to discover and it's very international. This is exactly why I chose the campus, but also

I'm even thinking of finding a job here after my graduation

because I wanted to study the "International Business in Latin America" option, which offers an overall vision of Latin America. I'll only stay 4 months, which is really short, as I really start to like it and I'm even thinking of finding a job here after my graduation.
