WHY JOIN EDHEC?

GET THE BEST EDUCATION

Through our top-rated business, finance and technology education, you will gain professional expertise and the agility to anticipate tomorrow's challenges. You will be ready to undertake leadership roles with a responsible mindset in order to positively impact the world and society.

GAIN PRACTICAL AND THEORETICAL KNOWLEDGE

EDHEC's strong industry connections infuse your learning experience with real-life case studies, workshops and corporate challenges, giving you insights into business developments as they unfold and an unprecedented glimpse of what is currently happening behind closed corporate doors. You will discover the school's innovative culture and gain cutting-edge knowledge from leading scholars and practitioners.

FORGE A CAREER PATH THAT IS RIGHT FOR YOU

EDHEC's Career Centre team will drive you to reach your full potential with comprehensive and bespoke career counselling. As a student, from Day 1, you will have access to our network of over 50,000 alumni, entrepreneurs and leaders, as well as a wide range of services to boost your career.

ENJOY A ONCE-IN-A-LIFETIME EXPERIENCE

EDHEC Business School offers a multicultural environment with 110 nationalities on campus. A truly international place with a French taste and DNA. We fully embrace diversity, inclusion and openness. You will become part of a strong global community and build life-long friendships.

BUILDING YOUR CAREER PATH

FOUNDATION COURSES

JUL—AUG. 2022

COURSEWORK

SEP. 2022 — MAY. 2023

INTERNSHIP

FROM JUNE 2023 — ONWARDS

Our Master of Science degrees are advanced programs designed to provide you with the tools and expertise to build your career in your chosen field. You can personalise your MSc by choosing from a wide array of electives, joining one of our learning expeditions or earning additional certifications. Together with our final-year Master in Management students, you will acquire in-depth knowledge leading to one of the following qualifications:

> FINANCE MASTERS

MSc in ACCOUNTING & FINANCE

– At the heart of corporate financial decisions

This program trains you to handle complex, international accounting and reporting issues, design internal control mechanisms and steer managerial performance. It will hone your skills in corporate valuation and restructuring and allow you to make sound financial decisions for international organisations.

MSc in FINANCIAL ENGINEERING

– Gaining quantitative skills

If you have prior training in finance and are seeking an international career in the financial markets, this is the course for you. In this advanced program, you will get to know the latest industry tools and concepts of quantitative finance as they pertain to financial engineering and investment solutions, enabling you to thrive in the financial industry as a trader, asset manager or risk professional.

MSc in CORPORATE FINANCE & BANKING

– Tailored to careers in investment banking

This program is an advanced and intensive program designed for students with prior training in finance. It will equip you with all the necessary skills you need to create value in the corporate finance and banking fields and build a strong career in investment banking, private equity, corporate banking or financial advisory services.

MSc in INTERNATIONAL FINANCE

– For ambitious careers in the financial industry

The program is designed for graduates without prior training in finance, who want a career in the financial industry. You will be given the tools and know-how to assess companies and investments, evaluate portfolio management strategies and master corporate finance decisions. The MSc in International Finance is a Chartered Financial Analyst (CFA) Program Partner. It closely follows the CFA curriculum and prepares you to sit the exams for CFA certification.

University Affiliation Program  CFA Institute®

MSc in CLIMATE CHANGE & SUSTAINABLE FINANCE

– Training a new generation of finance experts

This double degree is designed to combine financial expertise with a sound understanding of the scientific and engineering challenges associated with the transition to a low-carbon economy. You will gain the necessary skills to ensure that long-term capital is committed to meeting long-term environmental needs. You will become part of an elite group of financial professionals with the skills and passion to enhance financial analysis with a thorough understanding of environmental, social and governance (ESG) issues.

> BUSINESS MANAGEMENT MASTERS

MSc in STRATEGY, ORGANISATION & CONSULTING – Developing a strategic mindset

This MSc attracts disciplined and creative minds able to perform in complex environments. With this challenging program, you will develop management consulting skills and a strategic perspective to solve a wide range of business problems. The program prepares you for a wide range of positions for which critical thinking, intellectual agility and a multidisciplinary understanding of strategic issues are key.

MSc in MARKETING MANAGEMENT – Marketing with purpose

Designed for young, passionate graduates and professionals seeking to expand their global work experience, land their first job or make a career change to marketing management. Through this holistic program, you will gain advanced knowledge of the marketing discipline and be given the chance to supervise real-time projects through close cooperation with global companies.

MSc in MARKETING ANALYTICS – Becoming an analytical marketer

Data-driven decision making has become key in marketing. This MSc will equip you with the quantitative and qualitative analytical skills and tools you need to become an analytical marketer. In a rapidly developing field, we cover a range of topics and techniques — from customer experience and digital business models and strategies to sentiment analysis, ethnography/netnography and digital marketing analytics — using software and data platforms including Python, Tableau and Google Analytics.

MSc in ENTREPRENEURSHIP & INNOVATION – Creating tomorrow's businesses

Designed to unleash your entrepreneurial and innovative potential, whether you are an aspiring entrepreneur, interested in business development or seeking an opportunity in a corporate setting, our experiential learning curriculum will guide you through the process of turning ideas into action.

MSc in CREATIVE BUSINESS & SOCIAL INNOVATION – A pioneering track in arts, culture and social business

This MSc will prepare you for an international career in the creative economy, managing enterprises in the arts, culture, creative or social business sectors. You will leave the program with the skills to stand out from the crowd and make positive changes in the world.

CIRQUE DU SOLEIL

INITIATIVES et CITE
LE DEVELOPPEMENT LOCAL DURABLE

HEC MONTRÉAL

LL.M. in LAW & TAX MANAGEMENT – Where legal eagles meet business gurus

This program is designed to give you the requisite techniques and skills you need to create organisational value through the law. You will gain hands-on knowledge of the relationships between companies and their legal environments, with an in-depth understanding of the practice of business and tax law in international law firms and corporate legal departments. This program opens the door to a wide range of positions in the legal world, from business lawyer and in-house counsel to compliance officer and various positions in the legal tech sector.

MSc in GLOBAL & SUSTAINABLE BUSINESS – How to become a force for good

This program provides you with state-of-the-art skills for generating profitable and sustainable business growth. In-depth courses on global business disciplines, management and industries where sustainability is material will prepare you to create the global business solutions for tomorrow's economy and build a healthy environment and an inclusive society.

MSc in MANAGEMENT & LEADERSHIP – Forging tomorrow's managers and leaders

This MSc prepares recent graduates from diverse backgrounds for a wide range of careers requiring management competence and leadership potential. This program will provide you with comprehensive knowledge and expertise of the main managerial disciplines and enable you to transition to a managerial role. You will discover how to become a relational, reflexive and ethical manager of everyday business situations and develop the capacity to assume leadership roles.

MSc in DATA ANALYTICS & ARTIFICIAL INTELLIGENCE – Analysis and the art of critical thinking

This MSc will hone your business decision-making skills. You will acquire the ability to implement, use and monitor new disruptive technologies and to be at the heart of marketing decisions. The program prepares you for a wide range of positions and opportunities, where programming, quantitative analysis, critical thinking and business management skills are essential.

CEFDG

All of EDHEC's full-time MSc programs are accredited by CEFDG at Grade Master level.

Enrolled students are eligible for an APS - Autorisation Provisoire de Séjour, at the end of the program.

80%

OF OUR EDHEC STUDENT
CAREER SERVICES
ARE TAILORED TO
INDIVIDUAL NEEDS AND
CAREER GOALS

BOOST YOUR CAREER

Understanding and developing the attributes and skills employers require is key to employability. This is why the EDHEC Career Centre offers a program specifically designed to help master's students define and achieve their career goals — the **EDHEC Career Booster**. The program looks at students' specific needs, wants and goals in the context of their professional development and matches them to job-market requirements.

60,000 internship and **33,500** job offers posted on EDHEC's dedicated jobs board every year

40% international mobility in our master's degrees

400+ companies involved in our events every year, **20%** of them international

100+ corporate partners

300+ regular recruiters

YOUR CAREER GOALS

Through a four-step program, which includes self- and 360-degree assessment, you will get to know yourself better, identify your strengths, key attributes and areas for development, and define your career goals and job-search strategy. You will benefit from year-round **individual career advice** from dedicated counsellors, external experts and coaches, both on campus and remotely, as well as **personalised coaching** based on our in-house assessment.

YOUR CAREER TRAINING

Through voluntary and mandatory career training, workshops, CV clinics and assessment centres, you will hone your skills and learn to master the most competitive recruitment processes. As an MSc student, you will benefit from **customised training** by industry, market and function, in addition to **individual mock interviews**, including technical interviews and case practice. The EDHEC Career Centre also offers a **fully online career development** program that allows you to train at your own pace, in line with your goals.

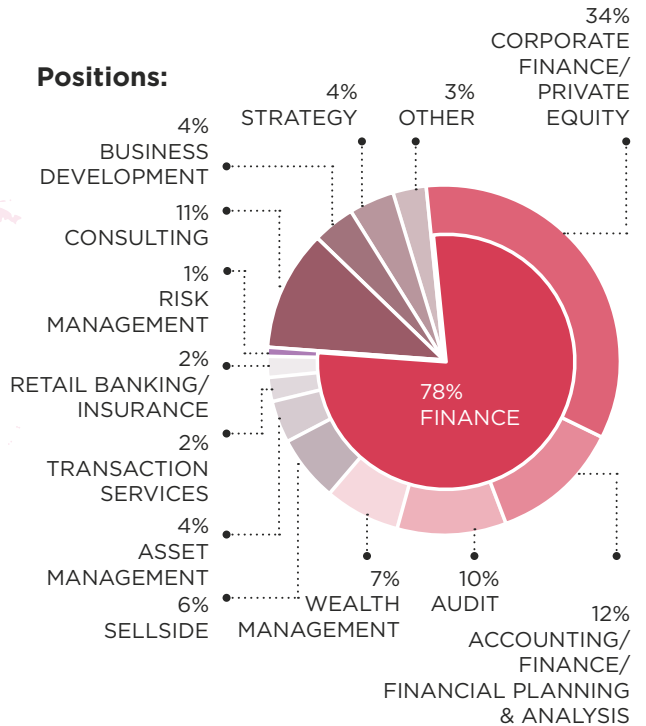

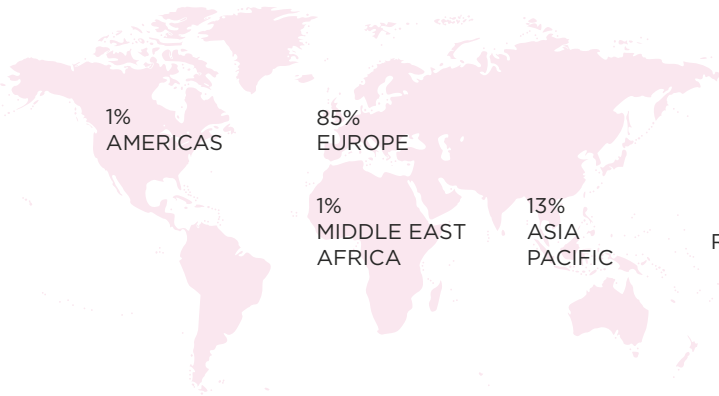

YOUR CAREER OPPORTUNITIES

EDHEC Career Centre organises more than 120 events annually, focusing on industry-specific insights or jobs, market trends and companies. It also organises four company trips to Dublin, London, Luxembourg and Paris. You will have access to **exclusive internships and job offers**.

INTERNATIONAL STUDENTS OFFICE — A team you can trust

ACCOMMODATION

— Finding you a home away from home

The ISO helps students to find suitable accommodation.

SETTLING IN

— Meeting your new-found friends

We provide a free pick-up service for students from outside the European Union from the train station or airport in Nice or Lille to the location of their chosen accommodation. Every year, the International Students Office organises orientation events and integration seminars to welcome international students to the EDHEC campus.

FRENCH CLASSES — Parlez-vous français?

French language courses are offered free of charge to facilitate the assimilation of international students.

*Fees include:

- Access to the EDHEC Career Centre, with personal career coaching during your studies and for the duration of your professional life
- Access, as a matriculating student, to on-campus facilities (incubator, learning centre, sports facilities, etc.)
- Lifetime access to the EDHEC Alumni community Administrative fees

VISAS AND RESIDENCE PERMITS

— Untangling the red tape

EU nationals

European Union students can live and study in France as long as they have a national ID card. No passport or visa are required.

Non-EU nationals

Before arriving in France, students from outside the European Union must obtain a student visa from the French embassy or consulate in their country of origin or permanent residence. Non-EU students must also have a valid passport from their country of origin.

APPLICATION DEADLINE

Applications are accepted on a rolling basis from **October 2021 to June 2022**
